Do.No.15(9)/86-BPE(Fin)

March 29, 1989

Dear Secretary

Commercial disputes between Public Sector Enterprises inter se as well as between a Public Sector Enterprise and a Government Department (excluding disputes on income-tax, customs and excise) are settled through arbitration by Government officials or through the good offices of empowered Government agencies like BPE. After considering a note dated

8.5.1987 prepared by the Department of Legal Affairs the Committee of Secretaries in its meeting held on 26.6.1987 suggested that a Permanent Machinery of Arbitrators should be set

up in BPE to settle all commercial disputes between PSEs inter se and between a PSE and a Government Department excluding the categories of disputes mentioned above. The Committee of Secretaries also suggested that there should be a contractual clause binding the parties to commercial contracts to refer all their disputes to this body. Committee of Secretaries also wanted BPE to bring a note for the consideration of the Cabinet for this purpose. Accordingly, BPE had prepared a note which was concurred in by the Department of Expenditure and the Department of Legal Affairs and was approved by the Cabinet in its meeting held on 24.2.1989.

2. To ensure that all PSEs include the contractual clause in all their future and current commercial contracts/supply orders/agreements etc. between PSEs inter se as well as between a Public Sector Enterprise and a Government Department, it is necessary that the administrative Ministries issue directives to the Chairmen/Chief Executives of the PSEs under the relevant clause of the Articles of Association of the respective enterprises or the relevant provisions of the Acts creating statutory corporations a draft of which is enclosed in Annexure-I. The procedure to be followed by the machinery in effecting settlement of disputes is also enclosed in Annexure-II. As the machinery is designed to be financially self supporting, the disputants are required to share equally the cost of the service rendered by the machinery as would be intimated to them.

3. I would be grateful if you could issue a suitable directive to each of the PSEs under your administrative control and also communicate to them the details of the procedure to settle such disputes. You may kindly arrange to send to the BPE copies of communications sent to the PSEs.

With regards,

Yours sincerely

Office Memorandum

Subject:- Settlement of commercial disputes between PSEs inter-se and between PSEs and Government Departments.

In super session of all previous OMs issued on this subject Government has now decided to set up a Permanent Machinery of Arbitrators in the Bureau of Public Enterprises to settle all current and future commercial disputes between PSEs inter-se as well as between PSE and a Government Department. Disputes concerning Income tax, Customs and Excise will continue to be settled as hereto before.

2. Every effort should be made to settle all disputes mutually and reference by either party should be made to the machinery only as a measure of last resort. The machinery will entertain reference after satisfying prima facie existence of a dispute. Since the disputants are required to bear equally the cost of service rendered by the machinery, all effort need be made to avoid reference to the machinery.

3. The Administrative Ministries will be separately issuing directives requiring insertion of an arbitration clause in all existing and future commercial contracts agreements etc. between the parties mentioned.

4. To ensure prompt disposal of existing disputes, both the PSEs and the Government Departments are requested to refer the existing disputes to the machinery at the earliest canceling the appointment of arbitrators, if already done.
